Notice to All Parents Regarding Student Illness

22nd September 2020

Dear Parents / Guardians

With regard to all student sickness/illness which is NON Covid Related, for example:

- Tummy bugs
- Headache
- Flu & Cold
- Injuries
- Other illness (this list is not exhaustive)

Where in the case of the above that your child has had to go home from school, they must not return to school until 48 hours (2 days) has passed since their illness and they need to be symptom free.

So if your child had to go home at 12.00 p.m. on a Tuesday, they cannot return to school until the Thursday afternoon or Friday.

It is important that you exercise caution on all sicknesses. As a parent, you make a judgement call on whether to send your child in or not.

Obviously, if your child has any Covid 19 symptoms, you should not send them to school.

It is also important that in the case of all illnesses, that you keep in contact with the school by calling 0505-23939. We are aware that some of you have not given us your up-to-date contact phone number, it is extremely important that we have contact details of someone who is available to collect your child should they need to go home. Please provide same to us immediately.

Yours sincerely

Mr Michael O'Connor
Principal
